

2024 Summer Reading Bingo

ADVENTURE *BEGINS AT YOUR* **LIBRARY™**

Complete the activities and try and get a BINGO (five in row). Mark off the squares as you go. Turn in completed sheets to the library for the chance to win a prize. All cards must be turned in by **August 9.**

“All insects are bugs but not all bugs are insects. An insect has three body parts- a head, thorax, and an abdomen. Insects have six legs and two antennae. Spiders and scorpions have eight legs and are not considered insects. Got it?”
