Summer Reading Bingo

Adventures

in: Geology

Complete the activities and try and get a BINGO (five in row). Mark off the squares as you go. Turn in completed sheets to the library for the chance to win a prize. All cards must be turned in by **August 9.**

AGES 5-11 CARD

Learn about the three different types of rock.	Do a puzzle.	Read or listen to a book about geology or volcanoes.	Invent a game.	Look at sand under a magnifying glass or microscope. What do you see?
Read a graphic novel.	Build a volcano.	Paint or draw the mountains.	Go looking for fossils, see if you can find any shells!	Read for fifteen minutes.
Play Hot Lava.	Go on a rock walk. Observe the different rocks you see. How are they similar? How are they different?	Choose your own activity.	Start a rock collection.	Make a model showing how the continental plates move.
Do something crafty.	Find a rock that sparkles in the sunlight.	Learn about the hot springs. Where does the water come from? Why is it hot?	Examine some rocks or glass that have been worn smooth by water. Why do you think this happens?	Read with a friend or relative.
Learn about how islands form.	Make your bed without being asked.	Find some sandstone. What do you notice about it?	Learn something new.	Make something out of clay or mud.

NAME: AGE:

Smokey Bear Reading Challenge

Help Smokey celebrate his 80th birthday by learning how to prevent wildfires and help the environment. Read 3 books and earn 4 badges to complete the challenge and earn your prize!
