

Summer Reading Bingo

Adventures in: Insects

Complete the activities and try and get a BINGO (five in row). Mark off the squares as you go. Turn in completed sheets to the library for the chance to win a prize. All cards must be turned in by **August 9**.

AGES 5-11 CARD 1

Find a spider's web.	Fold a paper airplane.	Read a book about insects or bugs.	Do a puzzle.	Go for a walk. How many insects can you spot on your walk?
Make something you can use every day.	Read to a stuffed animal or pet.	Learn the names of three insects you didn't know before.	Learn about an insect that lives in another country.	Climb a tree or rock (with supervision).
Make an insect watering station out of a shallow dish and some pebbles. Put it in your garden.	Gently pick up a bug. Observe it for a few seconds then let it go.	Choose your own activity. _____	Make or wear some butterfly wings.	Find an insect and follow it for as long as you can.
Learn to say "Hello" in another language.	Draw a beetle.	Pretend to be an insect. What does your insect sound like? How does it move?	Look for an earthworm on the sidewalk after it rains. Move it back to the grass.	Listen to an audiobook.
Read while on a picnic lunch.	Spend 20 minutes outside everyday for a week.	Look at an insect under a magnifying glass.	Do an experiment.	Visit an anthill and watch the ants.
