LIBRARY DISTRICT

ADVENTURE *BEGINS AT YOUR* LIBRARY™

Geology/Rocks

Rocks are hundreds of thousands of years old. Can you find a pretty rock?

- Complete the activities and try and get a BINGO (four in row). Mark off the squares as you go.
- Turn in completed sheets to the library to get your badge and a small prize.
- All cards must be turned in by August 9.

Summer Reading Bingo

INFANT-PRE-K

WEEK 3

Take a walk and find a rock.

Build with blocks

Practice mixing colors

Learn the names of family members.

Choose your own activity.

Walk by a stream and watch the water.

Find a rock that sparkles in the sunlight.

Play Peek-a-boo.

Snuggle with a stuffed animal.

Look at a rock with a magnifying glass.

Play in the sand .

Choose your own activity.

Pick up a rock. Is your rock hard or soft?

Find five things, can you line them up by size?
What's bigger?
What's smaller?

Do a finger play (ex. Itsy Bitsy Spider or This Little Piggy).

What colors can you find in the rocks on the ground?
