Recommended for ages 10+

## Instructions:

1. Draw your own snowflakes on cardstock, or use the included template.
2. Trace snowflakes with white glue.
3. Pour a lot of salt over your snowflakes.
4. Gently shake off excess salt (repeat steps 3 & 4 as needed).
5. Carefully apply liquid watercolor or food coloring with a paint brush. Be careful to only paint the salted snowflake and not the paper. You can paint when it is wet or dry.
